

UNT Housing: Pre-Move-In Screening

In an effort to keep the UNT community safe, students and those who will help the student move in, are asked to self-monitor possible COVID-19 symptoms for the 14 days prior to MEAN GREEN MOVE-IN. While Housing will not collect this document from students, we ask that you go through each question carefully and answer for yourself.

Have you had any known contact contact or a live-in contact) with someone who has a confirmed case of COVID-19 or unexplained respiratory illness in the past 14 days?

YES_____ NO_____

Have you traveled internationally in the last 21 days?

YES_____ NO_____

Are you experiencing any of the following new or worsening symptoms of COVID-19?

Fever of 100.4° or higher	YES_____	NO_____
Cough	YES_____	NO_____
Shortness of breath or difficulty breathing	YES_____	NO_____
Sore throat, congestion or runny nose	YES_____	NO_____
New loss of taste or smell	YES_____	NO_____
Muscle or body aches	YES_____	NO_____
Nausea, diarrhea or vomiting	YES_____	NO_____
Fatigue	YES_____	NO_____
Headache	YES_____	NO_____

If you have been identified as having any other illnesses (e.g., influenza), please adhere to medical guidelines concerning the length of time you are contagious or showing symptoms and return for services accordingly.

If you answered yes to any of the questions above, contact the UNT COVID Hotline at 844-366-5892 or email COVID@unt.edu immediately.

If someone who is going to help you move-in answers yes to any of the questions above, please ask them to not come to campus.

Stay smart. Stay strong. Stay safe.
